Cinderella wanted to go to the ball, but her wicked stepmother wouldn't let her. As Cinderella sat crying in the garden, her fairy godmother appeared and promised to provide her with everything she needed to go to the ball, but only on two conditions:

"First, you must wear a diaphragm."  
Cinderella agreed. "What's the second condition?"  
"You must be home by 2:00am."  
"Any later, and your diaphragm will turn into a pumpkin."

Cinderella agreed to be home by 2:00am. The appointed hour comes and goes, and Cinderella doesn't show up. Finally, at 3:00am, Cinderella shows up, looking foretold and very satisfied.

"Where have you been?" demands the fairy godmother.  
"Your diaphragm was supposed to turn into a pumpkin three hours ago!!!"

"I met a prince, Fairy Godmother. He took care of everything."  
"I know of no prince with that kind of power! What was his name?"  
"I can't remember, exactly. Peter Pan, something or other..."

Three women were out golfing one day and one of them hit her ball into the woods. She went into the woods to look for it and found a frog in a trap. The frog said to her, "If you release me from this trap, I will grant you 3 wishes."

The woman freed the frog and the frog said, "Thank you, but I failed to mention that there was a condition to your wishes - that whatever you wish for, your husband will get 10 times more or better!"

The woman said, "That would be okay," and for her first wish, she wanted to be the most beautiful woman in the world.

The frog warned her, "You do realize that this wish will also make your husband the most handsome man in the world, an Adam, that women will flock to."

The woman replied, "That will be okay because I will be the most beautiful woman and he will only have eyes for me."

BOOF - she's the most beautiful woman in the world!

For her second wish, she wanted to be the richest woman in the world.

The frog said,

"That will make your husband the richest man in the world and he will be ten times richer than you."

The woman said, "That will be okay because what is mine is his and what is his is mine."

So, BOOF - she's the richest woman in the world! The frog then inquired about her third wish and she answered,

"I'd like a mild heart attack."
